## Work Experience

### MANAGER OF DEPARTMENT OF MECHANIC IN THE NASRI GROUP COMPANY 2014 – 2018

In this period, the Justice Tower in Erbil and the down Town in Erbil were established

All of these works were under my supervision and guidance for my mechanics

Department All these works are affiliated to Nasri Group Company All the work

Was under great pressure .

### MANAGER MAINTENANCE MECHANICAL HABIB AL KHORY ERBIL 2012 – 2014

I worked with Habib Al Khoury, Maintenance Manager. The department was

Successful and I was working on scheduling visits to customers and direct

Supervision of the workshops and maintenance work and follow them

And give the correct instructions and guidance, has been honored and reward more

Than once by the owner of the company

### SITE ENGINEER AT SIEMENS ERBIL 2010 – 2012

I worked with Siemens as a site engineer. The work system was in the form

of site visits at certain times. I managed to work hard on the site and worked

with them in a team spirit .

### SITE ENGINEER AT THE HILTON FIVE-STAR HOTEL IN THE UAE – FUJAIRAH 2007 – 2010

I worked with Emirates Emaar in Fujairah as a site engineer, and all the work was

under great pressure and top speed. Always ready to receive guidance from the

Direct section. The 5-star Hilton is built in Fujairah.
