About myself ..

- *I am a highly professional, adaptable, self-motivation and innovative qualified engineer, . I am seeking to offer and develop my expertise with a forward thinking organization in the mechanical engineering ability to build and motivate a high-performing engineering team. Results-orientated Mechanical Engineer with a hands-on approach to tackling projects and accomplishing goals. Expert Mechanical Engineer with a diverse proficiency in car engineering, Aircraft Engineering, Air Conditioning, Refrigeration & General mechanics.*
- **Education**
bachelor of general mechanical engineering - Year of graduation 2017 - 2018
University of Technology | Baghdad, Baghdad Governorate
- **STUDYING OF GENERAL MECHANICAL**
- **Graduation grade: GOOD**
- **GRADUATION PROJECT**
design of air conditioning plant (pipes line, ducts, heat exchanger, expansion tanks, pumps , absorption chillers and cooling towers selection)
And rehabilitation of the parallel opposite heat exchanger & feed water treatment.
graduation project supervisor: DR. AMEER ALDABAGH & DR. IHSAN ALQADHI
- ❖ *I have a good expertise in my major, I have got certificate of Excellence in system design Organization of carrying pipes and moving within stores.*
- **Training**
I have ten weeks of attending a summer training program at Al Waleed Center for the repair of generators, detecting and repairing vehicle breakdowns in addition to the entry of several workshops for eg. (cnc machine, welding, electricity, casting)

• ***Skills page 1***

- ❖ Computer fundamentals
- ❖ Control fundamentals
- ❖ Project, contract, risk and cost management
- ❖ High level problem solving,
- ❖ conceptual and analytical skills
- ❖ Quick learner
- ❖ Review and preparation of
- ❖ professional engineering submission
- ❖ Active, ambitious, self-motivated
- ❖ and work under pressure
- ❖ Work with the team spirit
- ❖ Strong decision maker
- ❖ building skills
- ❖ Manufacturing systems integration
- ❖ Manufacturing process controls

Work experience

***Experience in Air ticketing systems:
software***

- 1-Sabre (I have a certificate)***
- 2-Galileo (I have a certificate)***
- 3-Amadeus (I have a certificate)***
- 4-Gulf AIRLINE (I have a certificate)***
- 5-Emirates AIRWAYS***
- 6-Qater AIRWAYS***
