Objectives

Seeking to be an excellent chemical engineer in the field of process engineering, where I have a very good academic background related to all topics, specifications and considerations which related to this field where I 'm interested and where I like to achieve my ambitions.

Personal Information

General specification	: Chemical Engineering Department.
Date of Birth	: 4 / 7 / 1995
Place of Birth	: Iraq.
Nationality	: Iraqi.
Social Status	: Single.
Religion	: Muslim.

Education

University	: Faculty of Engineering, al-Muthanna University.
Current degree	: B.Sc. in Chemical Engineering 2017.
Graduation year	: June 2017.
Cumulative grade	: Medium with percentage (69.097%).
Graduation Project	: Process for nitrobenzene production.
Graduation Project Grade	: Good.

Languages

- * **Arabic** : Mother language.
- * **English** : very good (Reading, writing, Understanding).

Training

- * Cement Factory in al-Muthanna city 2014
 - * ☐ Stages of the cement industry.
 - * ☐ Gain knowledge about cement products.
- * Samawah refinery for Oil refining in al-Muthanna city 2016
 - * ☐ Gain knowledge about Oil refining process.

Key Skills

- * Mastering Windows and Microsoft Office , programs such as Word , Excel, PowerPoint, Internet Applications, Visual Basic, Mat Lab, Hysys. AutoCAD Computer Drawing Program e-mail, internet and Desk Top Publishing.
