### The previous works that I have worked:

1 – I had worked with UNICEF organization for one year for the period started from 20-Sep-2003 to 30-Nov-2004 as Assistant Field Monitor in WTP department (Water Treatment Project) to follow-up and facilitate UNICEF activities in the water sanitation sector in Iraq. Therefore our responsibilities were assessing the condition of water and sewerage activities in Baghdad governorate, monitoring the implementation and the progress of different water and sanitation activities such as; rehabilitation of water treatment plants, water treatment compact units, sewage pumping stations, water and sewerage networks and other water and sanitation facilities, and monitoring water distribution to un-served and underserved residential areas in addition to monitoring the distribution and balance of water purification chemicals and other UNICEF supplies.

2- I had worked with Zain company in the customer care department and sales department for the period started from 10-Jul-2005 to 2-Mar-2015 as an archiving specialist, Our duties at that time consist of data entry for the contracts which are belonging to the customers and isolation the contracts and their arrangements according to their serial numbers in their suitable drawers and scanning the contracts of the customers and saving the softcopies as a legal backup documents for the back office and legal cases. For the sales department our work is different than customer care because the work is directly contact with people, the main tasks is making advertisement and support the sale of Zain products in market and let the end-user benefit from each offer which is declared by company.

3- I had worked before one year ago from 5-3-2015 until 5-4-2016 with Dr.Nasir Al-Alawi in the scientific research center of university of Duhok on genetic hybridization workshop which was held at that time for one week by participation of colleagues of selected doctors from many governorate of Iraq they works on this related field by accompanied of the production company staff.

4- I had worked with BCI company which is known as one of the exclusive dealer company of Samsung mobile production company for one month from 10-4-2016 until 10-5-2016 as a Sale Representative.

5- I had worked with France Lait nutrition company for six months from 10-6-2015 until 10-12-2016 as a Medical Representative.
