- Creative in any tasks.
- Able to build relationship.
- Loyal and discreet (maintain confidently).

Languages

- ❖ Arabic: mother language.
- ❖ English: (Reading and writing excellent) speaking-medium

Hobbies and Interest

Reading: Reading engineering, programming, historic and human developing books to improve both my skills and mind also having fun time discovering things through history.

Programing: Programming is a passion to me. I love to solve problems with it, I used to program projects for my friends and aid them in their exams by teaching them the programming languages, my favorite Programming Language is C/C++/PhP/CSS/HTML/Js.

Technology: In general, interested in technology. but in particular, I have passion for smart home (news, making devices & programming) & smart phone (news, apps, developing).
