

C. V.

Name: Muhannad Muhammad Hamad

Birth date & Residence: 1978, Baghdad\ Jameela

Mobile/Email: 07711590836,07825538180, muh782002@yahoo.com

Education: BSc in Electrical Engineering\ Baghdad University\2002

Iraqi Engineering Union degree: Licensed.

Driving skill: Obtained public driving license.

Experience (according to importance priority):

- **Recent job: Coordinator engineer** in Siwera AirBase in KAI (Korean Company) between client, CEB, and supporting companies.
- **6 years in Oil industry:**
 - **2 years Contract engineer (Coordination, technical support, and logistics)** for CNOOC Oil Company via Albab Company in Bazergan oil fields in 33KV Overhead Transmission Line (OHTL) EPC project for well-pads power supply and auto-reclosers installation project.
 - **2 years Logistics engineer** for Samsung oil Company via Aldar International Company in Badra CPF phase 2 oil facility.
 - **2 years project engineer (Coordination, technical support, and supervision)** for PETRONAS Oil Company via AGC Company in oil rigs.
- **10 years in other industries:**
 - **2 years QC/QA manager** in Emad Al-Rafidain (Iraqi company).
 - **1 year Project manager** in Epoka (Danish company) in wide area EPC communication project.
 - **3 years site manager** in HI-Precsision (Iraqi company) in two EPC projects.
 - **1 year site engineer** in Danube (Iraqi company) in a military camp construction project.
 - **2 years QC/QA engineer** in CAPE (American company) in a military camp construction project.
 - **1 year** freelance work within electronic cards design and implementation.

Computer essential skills: Windows & Microsoft office, Internet & networking.

Computer technical skills: Autocad, Primavera, Etap, and Multisim.

Other technical skills: Microcontroller (PIC) circuits and automation systems (PLC).

Non-technical skills: Reliable leadership with large experience in management and administration.

Linguistic skills: Fluent in English, specialist in administrative Arabic.

Transcript of records

This is to certify that Muhanad M. Hammad whose photograph is affixed above was awarded the B.Sc. degree in Electrical Engineering on 1/10/2002 (2nd attempt). He ranked (39) in class of (75) students. The following are the grades for the courses of his study in this college.

First year 1997/1998

Second year 1998/1999

Subjects	Grades	UN.	Subjects	Grades	UN.
Electrical Engineering Fundamentals	60	7	Mathematics II	54	6
Mathematics I	63	8	Electrical Circuits	*50	6
Electronic Physics	61	7	Electronics I	*50	4
Mechanical Engineering Principles	67	8	Electrical Machines I	*50	4
Engineering Drawing	74	2	Numerical Methods	60	3
Electrical Engineering Lab.	61	2	Theory of Electromagnetic Fields	*50	4
Principles of Computer Science	64	4	Electrical Engineering Lab.	50	4
Humanities	61	4	Computer Programming	56	4
Digital Techniques	79	4	Humanities	50	4

Third year 2000/2001

Fourth year 2001/2002

Subjects	Grades	UN.	Subjects	Grades	UN.
Antenna & Wave Propagation	58	6	Control	56	5
Electronics II	84	6	Engineering Project	92	4
Systems Analysis	50	4	Electronics, III	58	5
Electrical Power I	58	4	Communication	*50	5
Electrical Machines II	55	4	Machines & Power Electronics	56	4
Communication & Noise	69	6	Electrical Power II	63	5
Electronics & Machines Lab.	62	4	Computer Science	*53	5
National & Social Culture	58	4	Electronics, Control, Machines & Power Electronics Lab.	65	4
Computer Architecture & Operating Systems	75	2	Summer Training	Satisf.	-

REMARKS:

1- THE FINAL AVERAGE =60.319%

2- PASSING AVERAGE & PASSING GRADE =50%

3- SATISFACTORY MEANS SUCCESS IN THE SUBJECT.

4- SUBJECT MARKED WITH (*) INDICATES PASS IN THE SECOND ATTEMPT.

LETTER OF RECOMMENDATION FOR

Mr. MOHANNAD MOHAMMAD HAMAD.

To Whom It May Concern:

We have had the pleasure of working with Mr. MOHANNAD MOHAMMAD HAMAD for two years on the work service rig AGC 301. During this time, he worked as project engineer.

He always showed great enthusiasm for work and executed his responsibilities professionally with mature manner and experience in all aspects.

His overall performance in the above mentioned positions is very good. He shows a more than active interest in all the operations of the rig and always sets an excellent example for the rig crew. He is honest, hardworking, and very motivated to do a good job.

We have no reservations to recommend him for any future employment, and wish him every success in his future job.

Regards
