## EXPERIENCES

### BASRA OIL COMPANY

During the summer training, which was in the warehouse of the Faw oil, one of the warehouses belonging to the Basra Oil Company learned through it a lot of experiences and things where I learned the mechanism in which the oil is stored in the warehouse and then exported to the Arabian Gulf

### FIELD WORK IN BASRAH GOVERNORATE

It was the practical aspect of what we learned from the study within the university, which included visiting the sites of the most important Mount Sinam, sand and gravel quarries in Zubayr, the water bodies of Khor al-Zubayr, Nahran Umar laboratories of the field unit in Basra Oil Company and the Iraqi Drilling Company in Al-Barjisiyah.

## EDUCATION

Basrah University

Bachelor of Science, Geology
