## EPERIENCE

### Reception & Accountant (JUL 2013 – JAN 2014): Dai Alhussien hotel .

I got some Experience from this work , It was really excellent work , Unfortunately I leaved this job because I didn't graduate yet , and the hotel in Karbala city , and my university in Baghdad .

### Sales (MAR 2014 – JAN 2015): AL Jedar Centre

It was maybe a good test and I found good communication Exp.

### Accountant &Auditing (JAN 2018 – Till Now..): RSCC Company

In this company I found the opportunity to develop my accounting skills. I have been in the accounting cycle since registering the financial event and issuing the report and financial analysis on an accounting system designed for the Excel program. In addition to that I was selected to perform the audit tasks for a ceramic exhibition continued to the parent company, which I work as a basic accountant, It is a wonderful company, knowing that the company works in the field of contracting, service delivery and distribution of Gasoil in Erbil. But I'm still looking for work that will help me get a bigger financial side (Salary).
