

## **Personal details**

Name: - Safa Raad Mohamed

Birthday: - 13/03/1996

E-Mail address // [rsafa56@yahoo.com](mailto:rsafa56@yahoo.com)

Phone No // 07513087113

## **Academic profile**

B.S.C. in [Electro mechanical Engineering] University of  
University of technology Baghdad

Data of graduation 2018

The department is one of the oldest departments in the university of technology, where many graduates graduated from the bachelor's degree, higher diploma, masters and doctorate degrees. The department has accompanied the great development movement in various applications and engineering fields. The most recent of these are the department's orientations within engineering integration (electrical engineering and mechanical engineering) of the industrial sectors in Iraq to qualified graduates who combine the disciplines of electrical engineering and mechanical engineering.

## **Graduation project**

Design and implementation the control of sold cell by using  
Arduino

## **Student in**

M.S.C [Electro mechanical Engineering] University of  
technology specialized in regulation engineering

## **Computer skills**

Familiar in dealing with the following software:-

1. Microsoft office
  - ✓ Word.
  - ✓ Excel.
  - ✓ Access.
  - ✓ Power point.
- 2- Adobe Photoshop.
- 3-Auto cad.

## **Work Experience**

Clinic: for 1 year and 2 month

Technician on medical devices

- 1-Clatuu.
- 2-me2 contour.
- 3-PrP.
- 4-Spectra.
- 5-dioxage.
- 6-vikini-diode.
- 7-Profacial.

## **Languages**

- ✓ English
- ✓ Arabic

## **Strengths**

- ✓ Working under high tension& pressure.
- ✓ Quick learning.
- ✓ Well Adaptability.
- ✓ Good communication skills.
