

SHAHAD HAMANDI

BIOMEDICAL ENGINEER

PROFILE

During My 5 years in Biomedical Engineering, I have earned a lot of experience in the Biomechanics, Electronics, Mathematics, Medical Devices, Hospital Design and Biomaterial in addition to the Medical subjects that I have studied. This Experience led me to take a Graduation Project about medical measurements. So I designed a medical device that perform biometric and medical applications where body monitoring is needed implementing the **e-Health Sensor Platform**.
