Objective

I am self-motivated, ambitious and eager to learn. I am a responsible individual with strong communication skills and work ethics besides being creative, focused and highly determined. I am willing to take responsibility and work independently. At the same time, I can work well in teams.

Looking for both personal and professional growth makes me capable of working confidently under pressure.

Being bilingual gives me the chance to function efficiently in both English and Arabic. I'm ready to meet the job's demands in all Iraq's regions.
