RECOMMENDATION LETTER

I had the pleasure to work with Eng. Mustafa Amer A. during the "Garraf FCP gas and oil Project" in Iraq and I definitely look forward to work with him again in the future.

During this period, Eng. Omar Issa Qassim has shown and proved passion and dedication to his work together with competence and professionalism. His skills and his unlimited proactive attitude made Eng. Omar a valuable part of the Project Management Team contributing to the success of the Project.

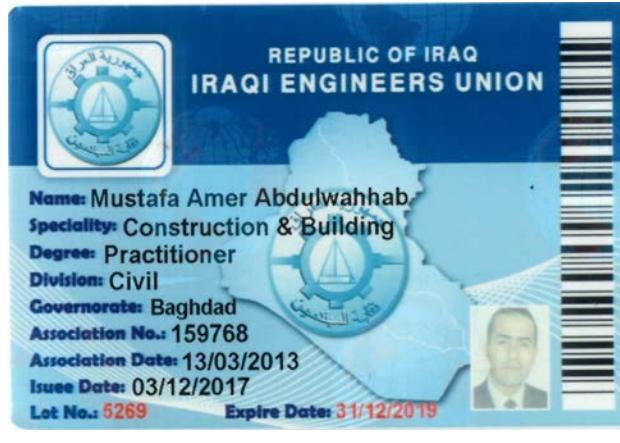

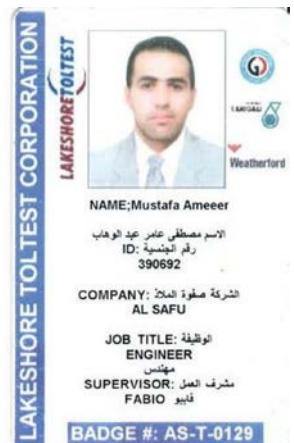

I definitely recommend Omar to any Company who is looking for these qualities in his management staff's
Respect fully
